- Do not exceed the specified weight capacity (30kg). Overloading can cause the stand to collapse.
- Only use the stand for keyboards or equipment it is designed for. Avoid placing heavy or unbalanced items.
- Always check that all bolts are tightly secured before use.
- Place the stand on a stable surface to prevent tipping.
- Inspect before each use for loose bolts or signs of wear. If you notice any damage or loose parts, discontinue use and contact customer support. Failure to do so could result in injury or property damage.
- Keep out of reach of small children. The throne contains small parts and adjustable mechanisms that may pose a hazard.
- Avoid exposure to moisture, which can cause rust or weaken components.
